By submitting this form I agree that if this nonprofit is drawn at the meeting, I will be prepared to speak for briefly about the organization's need and how they serve the Treasure Valley. If neither I nor my co-nominating member are in attendance at the meeting, I understand my nomination will not be considered at that meeting. If my nonprofit does not receive the majority's vote, it will remain as a contender in future draws for as long as I am a 100WFG Boise member.
